CHIFUNABULI DISTRICT

CHITEMBO PRIMARY

SCHEMES OF WORK

NAME OF TEACHER: Chola lydia **TS NO:** 20154108 **SUBJECT:** Creative and technology studies

GRADE: Grade 1 **YEAR:** 2026 **TERM:** 3

WEEK	TOPIC	SUBTOPIC	SPECIFIC COMPETENCIES	EXPECTED STANDARD	LEARNING ACTIVITIES	TEACHING METHODS	TEACHING AND LEARNING AIDS	REFERENCE
Week 1 (07-09-2026 to 11-09-2026)	1.15 NEEDLEWORK	1.15.1 Needlework Tools	Use small needlework tools	Small needlework tools used accordingly	Naming small needlework tools (tailor's chalk, tape measures, thimble...) Drawing small needlework tools Using small needlework tools to make small items (pin cushion, handkerchief...) Storing small needlework tools in suitable places	Demonstration Guided practice Observation	Tailor's chalk, tape measure s‡himble, needles, thread, pin cushion	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.15 NEEDLEWORK)

Week 2 (14-09-2026 to 18-09-2026)	1.16 GRAPHIC COMMUNICATION	1.16.1 Lines	Draw different types of lines	Different types of lines drawn accordingly	Identifying different types of lines Drawing different types of lines using freehand (straight line, zigzag, wavy...) Drawing different types of lines using instruments (vertical and horizontal lines)	Direct instruction Practical drawing exercises Peer review	Chalkboard, rulers, pencils, drawing paper, colored crayons	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.16 GRAPHIC COMMUNICATION)
Week 3 (21-09-2026 to 25-09-2026)	1.17 CRAFTS	1.17.1 Paper Crafts	Make items using paper	Items made using paper accordingly	Identifying items made in paper craft Making of various items (chain, belts, house model, mask, National flag, ox cart, cars, train, cell phone...)	Demonstration Project-based learning Hands-on practice	Paper, scissors, glue, crayons, cardboard, model templates	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.17 CRAFTS)
Week 4 (28-09-2026 to 02-10-2026)	1.17 CRAFTS	1.17.1 Paper Crafts	Make different pictures using collage technique	Different pictures using collage technique made appropriately	Identifying collage materials Making different pictures using collage technique Participating in Monthly Assessment on Needlework, Lines, and Paper Crafts	Demonstration Individual practice Written and practical assessment	Scrap paper, leaves, fabric pieces, glue, cardboard, assessment sheets	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.17 CRAFTS)

Week 5 (05-10-2026 to 09-10-2026)	1.17 CRAFTS	1.17.2 Modeling	Model objects using clay/plasticine	Objects modeled using clay/plasticine accordingly	Identifying modeling materials Modeling of freeform objects using clay/plasticine (animals, dolls, fruits, birds...) Displaying modeled objects	Demonstration Hands-on modeling Gallery walk	Clay, plasticine, modeling tools, water, display boards	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.17 CRAFTS)
Week 6 (12-10-2026 to 16-10-2026)	1.18 LETTERING	1.18.1 Letters of the Alphabet	Design letters of the alphabet	Letters of the alphabet designed accordingly	Identifying letters of the alphabet Designing letters of the alphabet (copy, cut out, paint letters...) Arranging designed letters to form simple words	Demonstration Guided practice Artistic design	Alphabet charts, colored paper, scissors, paint, brushes, stencils	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.18 LETTERING)
Week 7 (19-10-2026 to 23-10-2026) **(19-10-2026 - National Prayers Day)**	1.19 SWIMMING	1.19.1 Pool Hygiene	Apply rules on pool hygiene	Rules on pool hygiene applied appropriately	Discussing the importance of pool hygiene Applying basic rules on pool hygiene (shower before getting in the pool, do not urinate in the pool...)	Discussion Roleplay Interactive storytelling	Pool rules chart, illustrations of hygienic pool behaviorsṣoap, towel	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.19 SWIMMING)

Week 8 (26-10-2026 to 30-10-2026)	1.20 STRUCTURES	1.20.1 Types of Structures	Identify types of structures	Types of structures identified correctly	Identifying types of structures (house, bicycle, egg, car, bridge...) Drawing simple structures Participating in Monthly Assessment on Modeling, Lettering, Swimming, and Structures	Visual identification Class discussion Written and practical assessment	Pictures of structures, real objects (egg, toy car), assessment sheets	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.20 STRUCTURES)
Week 9 (02-11-2026 to 06-11-2026)	1.21 ENTREPRENEURSHIP	1.21.1 Entrepreneur	Demonstrate knowledge on the roles of an entrepreneur	Knowledge on the role of an entrepreneur demonstrated correctly	Identifying entrepreneurs in the community (shop owners, market traders, transporters...) Discussing the role of an entrepreneur in the community (making goods, selling goods, providing services...)	Interactive discussion Community mapping Brainstorming	Pictures of local businesses, charts showing roles of entrepreneurs	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.21 ENTREPRENEURSHIP)
Week 10 (09-11-2026 to 13-11-2026)	1.21 ENTREPRENEURSHIP	1.21.1 Entrepreneur	Demonstrate knowledge on the roles of an entrepreneur	Knowledge on the role of an entrepreneur demonstrated correctly	Setting up a mock classroom market Roleplaying the role of an entrepreneur (selling, buying...) Reflecting on the buying and selling experience	Roleplay Simulation Group discussion	Play money, mock goods (crafted items, toys), price tags	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.21 ENTREPRENEURSHIP)

Week 11 (16-11-2026 to 20-11-2026)	1.15 TO 1.21 CONSOLIDATION	Consolidation of Term 3 Topics	Demonstrate consolidated skills in Needlework, Crafts, Lettering, Swimming, Structures, and Entrepreneurship	Consolidated skills and knowledge demonstrated appropriately	Reviewing key concepts from needlework tools to entrepreneurship Completing unfinished practical projects (paper crafts, modeling, lettering) Participating in peer feedback sessions	Peer teaching Project completion Teacher-guided review	All previous teaching aids, student portfolios, review worksheets	CBC Grade 1 Creative and technology studies Syllabus (Ref: 1.15 TO 1.21 CONSOLIDATION)
Week 12 (23-11-2026 to 27-11-2026)	REVISIONS	End of Term Revision	Demonstrate understanding of all Term 3 topics (1.15 to 1.21)	Comprehensive understanding of Term 3 topics demonstrated correctly	Participating in structured revision games (quizzes, flashcard matches) Reviewing safety and hygiene rules (swimming, needlework tools) Practicing drawing lines and structures Answering sample revision questions	Active recall Collaborative games Question and answer sessions	Revision worksheets, flashcards, quiz boards, sample questions	CBC Grade 1 Creative and technology studies Syllabus (Ref: End of Term Revision)
Week 13 (30-11-2026 to 04-12-2026)	END OF TERM TEST / EXAMINATIONS	Summative Assessment	Demonstrate mastery of all Term 3 competencies	Mastery of Term 3 competencies demonstrated successfully	Completing the practical assessment (modeling an object or drawing lines/structures) Completing the written/oral assessment on needlework tools, pool hygiene, and entrepreneurship roles	Individual assessment Practical demonstration assessment	Assessment papers, modeling clay, drawing sheets, pencils, grading rubrics	CBC Grade 1 Creative and technology studies Syllabus (Ref: Summative Assessment)
